Site map of the proposed C. Ben White Memorial Fishing Access Site and developments and/or improvements. Upon acquisition, basic improvements would be made to facilitate public use (e.g., parking areas, vault latrine near the boat launch). Additional improvements (e.g., campground, picnic area, additional latrine) would be made in future years with support from the Bitter Root Land Trust and other partners. Location of roads, trails, parking areas, and trailhead are tentative.
